ABOUT UDAIPUR

Udaipur city of dawn is a lovely land around the blue water lake hemmed in by the lush hills of Aravallis. A vision in the white drenched and beauty, Udaipur is a fascinating blend of sights, sound and experiences and inspiration for the imagination of poets, painters and writers. It has kaleidoscope of fairy tale of palaces, lakes, temples and gardens. The city carries the flavor of heroic past, epitomizing valour and chivalry. Udaipur was founded in 1553 by Maharana Udai Singh II as the final capital of the erstwhile Mewar Kingdom, located to the south of Nagada on the banks of Banas river.
