CONFERENCE 23 24 NOVEMBER 2024

**RAJASTHAN INTERNATIONAL CENTRE** JAIPUR | RAJASTHAN

SMS Medical College has been a pioneer for the research and innovation in the field of medical education. This institute has a rich history and legacy in medical training spanning decades, making it a cornerstone institution in producing highly skilled healthcare professionals. The college's commitment to excellence is evident in its rigorous curriculum, which blends traditional medical teachings with cutting-edge advancements in healthcare technology and research.

The **Department of Biochemistry**, SMS Medical College, Jaipur has state-of-the-art laboratories equipped with modern instrumentation. This facilitates hands-on learning experiences where students can apply theoretical knowledge to practical experiments, fostering a deeper understanding of biochemical principles. Moreover, the research initiatives undertaken by the department are groundbreaking, contributing significantly to the advancement in medical science

Association for Medical Updates" (AMU), which is one of most revered associations amongst medical colleges, private practitioners, hospitals and diagnostic laboratories is working with an aim of spreading information and awareness regarding advancements in therapeutics and diagnostics via conducting various educational and scientific programs throughout the country.

### **INVITATION**

Association for Medical Updates welcomes you to attend the 6<sup>th</sup> Annual National Conference on "Changing Needs and Trends in Healthcare" from November 22-24, 2024 at SMS Medical College and Rajasthan International centre, Jaipur, India

The healthcare sector is undergoing rapid transformations, driven by emerging technologies, patient-centered approaches, and global healthcare challenges. To address these changes, we invite you to be a part of the pivotal event exploring the evolving needs and trends in healthcare.

This conference will bring together healthcare professionals, policy makers, researchers, and innovators to discuss the most pressing issues shaping the future of healthcare. It is an opportunity to delve into the critical topics that impact patient care, medical advancements, and healthcare delivery systems worldwide.

#### Key Sessions Include:

- Healthcare Innovation: How cutting-edge technologies are revolutionizing diagnosis and treatment.
- **Reforms in Medical Education:** For improving access, quality and equity
- Palliative Care: Navigating the rise of Palliative healthcare.
- Patient-Centered Approaches: Shifting focus towards personalized medicine.
- Mental Well-being: Mental health includes our emotional, psychological, and social well-being
- Auto immune & allergic disorders: Diagnostic and Therapeutic advancements

This event will serve as a platform for learning, networking, and collaboration, where participants will gain insights from industry experts, engage in thought-provoking discussions, and explore the latest trends driving the future of healthcare.

Be a part of the conversation that will shape the future of healthcare.

We look forward to the honour of welcoming you at Jaipur during the conference

Albert Hall Museum: Albert Hall Museum is among the most prominent museums in the city and is renowned for its well- blended architecture. It was built in 1876. You can explore the culture of Rajasthan through the 16 galleries of this museum. Paintings, portraits, carpets, musical instruments, jewelry, ammunition, woodwork, brassware, antique coins, and sculptures are on display at the museum.

Amber Fort: The legendary Amber Fort is a seven centuries old Rajputana palace located around 11 kilometers away from Jaipur. Recognized as a UNESCO World Heritage Site, it is among the most magnificent architectural wonders of India. Set up on the Aravalli hills, the Amber fort (also known as Amer Fort) was constructed by Raja Man Singh I in 1592 and was completed by Mirja Raja Jai Singh.

City Palace: Located in the heart of the old city, the City Palace, comprises magnificent courtyards, gardens, cenotaphs, and royal buildings. It was conceived and built by the founder of Jaipur, the Rajput King Maharaja Sawai Jai Singh II, and expanded by the rulers who inhabited it later. The palace has elements of Rajput, Mughal, and European architecture intricately put together to exude opulence.

Hawa Mahal: The most iconic landmark of Jaipur, Hawa Mahal is a 200-year-old monument in the heart of the city. Famous for its unique honeycomb design and Indo-Islamic architecture the five-storeyed palace has 953 lattice work windows. It was built in 1799 by Maharaja Sawai Pratap Singh as a summer palace, painted in pink and adorned with floral motifs, dome-shaped arches, and patterned pillars.

Jal Mahal: Located 4 kilometer away from Jaipur, Jal Mahal is one of the most popular landmarks of the city. It was built in 1750 by Maharaja Madho Singh as a lodge and hunting retreat. The symmetrical five-story structure of the palace is set in the middle of an artificial lake known as Man Sagar Lake. The mesmerizing view of the beautiful palace against the backdrop of Aravalli hills and its reflection in the serene lake waters lures thousands of tourists from across the world. Jal Mahal is also recognized as the most photographed structure of India.

Nahargarh Fort: defending Jaipur against attacking enemies. Within its walls, the fort houses Madhavendra Bhawan, the summer destination for the members of the royal family. Built by Sawai Madho Singh, the palace has 12 matching boudoirs for the queens, at the head of which is a suite for the king. They are all connected by corridors decorated with delicate murals. The fort looks brilliant when floodlit at night.

Shri Govind Ji Temple: Shri Govind Dev Ji temple of Jaipur including carving of Shri Govind Dev Ji idol by Brijnabh (great grandson Shri Krishna), establishment of Shri Govind Dev Ji temple in Vrindavan, hiding of idol due to attacks of invaders on temples, re-finding of idol by disciples of Shri Chetanaiya Mahaprabhu, bringing of Shri Govind Ji idol by King of Jaipur, establishment of Shri Govind Ji Temple in Jainiwas Udhyan (Jaipur)
